RODOLFO G. CONEJOS III

+63 09639024214 • jundyconejos@gmail.com • Lupa Sapangdaku, Cebu City

SUMMARY

Computer Engineering graduate with hands-on experience in IT support, hardware and software troubleshooting, and system maintenance. Skilled in diagnosing technical issues, providing reliable technical support, and developing embedded system projects. A fast learner with strong analytical, communication, and problem-solving skills, eager to contribute to a dynamic technology team.

SKILLS

- Operating systems installation and configuration
- Operating systems maintenance
- Computer hardware and software troubleshooting
- Computer Assembly
- CCTV configuration and maintenance
- Printer and peripheral troubleshooting
- System installation and computer networking
- Data analysis and programming fundamentals
- Preventive maintenance and device maintenance
- PCB designing and soldering
- Problem-solving and analytical skills
- Technical support expertise
- Independent and collaborative work
- Microsoft Office applications

EXPERIENCE

OJT – Tech Support & CAD Operator – Verdida Surveying and Construction Services (Jan 2025–Mar 2025)

- Troubleshoot possible pc issues, printer problems and networks
- Assist for plotting land lots by understanding coordinates and using the AutoCAD
- Interpret surveyor measurements, boundary lines, and coordinates

Technical Assistant & Technical Support Engineer – Asian College of Technology, Cebu City (Jan 2023–Jan 2025)

- Provided technical support for computer labs and office equipment
- Installed and maintained hardware, software, and network systems
- Troubleshoot hardware, software, and network issues
- Performed preventive maintenance and user support

EDUCATION

Bachelor of Science in Computer Engineering (Cum Laude)– Asian College of Technology (Apr 2026)
High School with Honors (Senior High School (STEM)) – Ramon Duterte Memorial National High School (2021)
Junior High School with Honors – Ramon Duterte Memorial National High School (2019)
Elementary School with Honors – Guadalupe Elementary School (2015)

TRAININGS AND SEMINARS

Cisco Packet Tracer Networking Training (2023)
PC Assembly and Troubleshooting Training (2023)
Programming Language (Python) Training (2023)
Data Privacy Act Seminar (2024)
Adobe AI Seminar (2024)
Software Development Seminar (2025)
Acing Interview and Proactive Dynamic Communication in the Workplace Seminar (2025)
Software Engineering Seminar (2025)
Exploring Quantum Computing Seminar (2025)
Structured Network Cabling and Fiber Optics Seminar (2025)
Overall Landscape of Cyber Security Seminar (2025)

PERSONAL INFORMATION

Height: 5'5
Citizenship: Filipino
Date of Birth: 03/21/2002
Gender: Male
Marital Status: Single
Religion: Catholic
Place of Birth: Cebu
